## THE GLORY OF DUSK

*When the world is weary and on the verge of retiring, is when she comes out to the world. The magnificent colors of her dresses drive away every bit of languor from weary hearts. They come as sermons, and leave us richer than ever before with their blessed experience!*

## LOVE FOR PARCHED HEARTS

*In the desert land, the sun rises supreme and hovers down upon with relentless fury. Not only does it scorch the life, but these desiccating conditions also suck the desert dry of love. Until her ingress that is. As she enters, the breaths love back into the land. Her smile is the embodiment of the love once lost.*

## SPRING GODDESS

They surround her as she trends the forest.  
She gazes expectantly, and beams at them.  
They hear in anticipation, in eternal  
worship to the glory of eternal beauty. For  
wines and leaves stretch easy as the pieces,  
anticipating her perfect, warm and glowing  
praise about her majestic aura.
