## Picture of Majesty

Why should royalty be dressed in anything short of regal? When you carry yourself with grace and poise, when the world bows to your command, when a whole kingdom of besotted men are ready to go to battle for you, all you need is this breathtaking dress. Our exquisite touch makes the picture simply perfect.

# Rich grandeur

Their patterns have been designed to the smallest detail to rival their features- perfect to the smallest degree. Some consider them illusions, judging from their perfection. And when they realize that these damsels do truly exist, they marvel upon the richness of existence. And the richness of the threads that adorn them.

# Get The Look

Anyone can get dressed up and glamorous, but it is how people dress in their days off that are the most intriguing

# Golden grace

If grace was accepted in gold, there would be prices; if they realize their own value, they smile from their innermost core. Who that enhances their beauty a thousandfold. Who these who behold these appear in their splendour, clad in immediate solutions from their heads in reverence.
