GARDEN OF MAGIC

It was the way he carried
the seeds of truth in the
Garden of Magic, growing

VISAGE OF ZAMINDAR

It is not just the look of a dress, it is the way it is made. It is the way it is made that makes the fabric breathe in you, that makes you feel like a queen. It is the way it is made that makes you feel like a queen. It is the way it is made that makes you feel like a queen. It is the way it is made that makes you feel like a queen.
