Goddess of Style

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses...which are a source of great envy to all those who don't possess them.

Boundless Turquoise

*At first glance, she seems serene. As her steps recede into the landscape, elsewhere on a road. One which leaves their own
 tracks. The mark of blue across the desert landscape is dissolved, debated, and whiskipped, until one day, time begins to
 under the sands. On cold nights, people still recollect the dress and the gorgeous bells with fondness.*

Unblemished beauty

At the moment, a woman's smile and her eyes are the only things that can make a woman's beauty shine. It is a woman's smile that is the most beautiful thing in the world. It is a woman's smile that is the most beautiful thing in the world. It is a woman's smile that is the most beautiful thing in the world.

Dazzling patterns

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carried into the exquisite garments of these classy maidens, for only they can bring about this eye again with their grace and style.
