ALLUDE

words will always fall me
when i try to write about you.
i can never really capture
any essence of the mesmerising
allure that you always seem to
have like a cloak of stars
draping around you.

ALLUDE

words will always fall out
when I'm in with those eyes
I can never really capture
all extent of the mesmerizing
all, so that you always seem to
have got a check of stars
draping around you

ALLUDE

sera will design all the
clothing in the collection.
From the very beginning
and through the end of the
collection, the design will be
the same as the design of the
collection.
