They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses... which are a source of great envy to all those who don't possess them.

When the greatest  
artists of the land  
gazed upon the  
svelte beauty divine,  
they grew awa-  
struck by their un-  
paralleled charm.  
Many spells were  
cast and scouts sent  
around the world to  
create magical gar-  
ments to clothe  
these beauties.  
These were the  
finest threads that  
they could conjure,  
the purest of the  
pure!

As the ages pass, as kingdoms crumble and new ones rise from the ashes like a glorious phoenix; their beauty is a constant source of illumination to the world around you. These damsels are also dressed in garments which never fade with time, with trends, with fads.
