.....Swaraj

The long trail of cloth, one straight single length,
with intricate work oozes vigor and strength!

.....|Munali|

..... | hardsi |

It covers the beauty with all its layers,
yet scans the sough and call for glances!

Palace

The humble drapes stirring the ethnic motion,
since time immemorial, breaking the rules and the notions!

0 86 5157

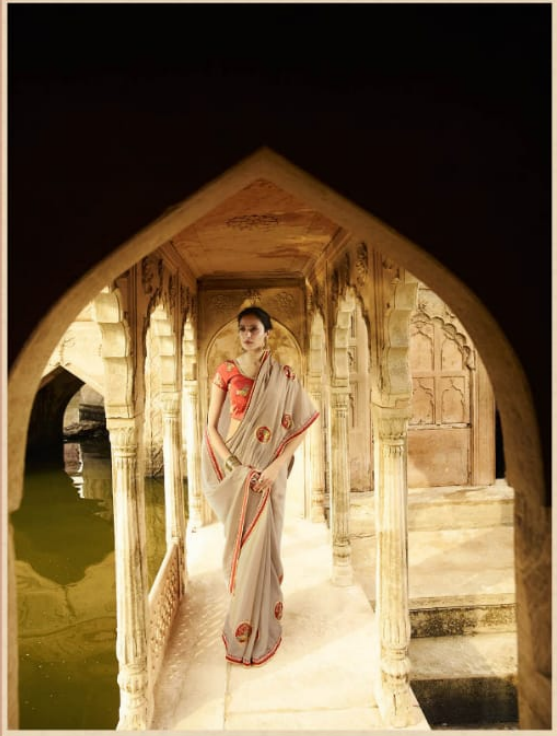

.....(Swagati)

It marks the beauty of a Gaura bride,
It tells tale of pride and joy.

A decorative border with a repeating geometric pattern in a light beige color. The pattern consists of small, intricate floral or geometric motifs arranged in a grid.

your style partner[®]

The young, the old and in the middle, all of us have worn it to go unbridled!
