LEAF

Nature uses only the largest  
leaves to sew her  
patterns, so that  
each small piece of her  
fabric reveals the  
importance of the  
entire autumn beauty.

LEAF  
#5005

**Sargani**  
Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

*Sargani*

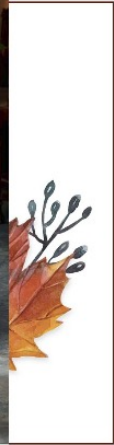

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam

Nature uses only the loom  
threads to create  
the most beautiful  
pieces of art.  
Fabric reveals the  
organization of the  
universe.

Sargam

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam®

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam®

Nature uses only the longest threads to weave her patterns so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam®

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

LEAF  
85007

Sargam

Nature uses only the simplest  
threads to weave her  
patterns, yet each  
small piece of her  
fabric retains the  
organization of the  
entire natural beauty.

Sargam

Nature uses only the longest threads to weave her patterns, so that each small piece of her fabric reveals the organization of the entire autumn beauty.

Sargam®

Nature uses only the longest threads to weave her patterns so that each small piece of her fabric reveals the organization of the entire autumn beauty.
