The hardest thing in fashion is not to be known for a logo, but to be known for silhouette.  
Fashion is what you adopt when you don't know who you are.

Fashion is not something that exist in dress only. fashion is in the sky,in the street, fashion has to do with ideas the way we live, what is happening.Be sure what you & be sure about ypurself, fashion is not just beauty, it about good attitude you have to believe in yourself & be strong.

Fashion should be a form of escapism & not a form of imprisonment.  
Fashion is almost like a religion, for me atleast. When you  
love fashion, there is no weekend. Everything  
just blends together.

Fashion is inspired by youth & nostalgia & draws inspiration from the best of the past.  
I dress for the image, not for myself, not for the public, not for fashion, not for men.

D.No.29004

Fashion is a great thing, its a way to express who you are.  
Fashion is a language some know it, some learn it, some never will like an instinst.

Fashion is about how you place the object on the person. I base most of my fashion taste on what doesn't item. I still appreciate individuality style is much more interesting than fashion; really.
