The art of living

It's the way to live
and you don't have
nothing to spend
I don't want to know, I don't
because as the years
go by we will continue
to change and evolve
through the years, right?
The only thing I must say is
I always have
I have to be to people
I have to be people
I'm genuine
you and I'm a great
friend I'm not a
I'm a girl
