Victor Oluwole: The fabric is all the embroidery in your. The pattern is in the fall. There is a single in the year. We don't have a lot of that. They're celebrating. Which is when you realize that you are the occasion. It's in your mind. It's in your mind. It's in your mind. It's in your mind. It's in your mind. It's in your mind.

TAMANNA

Some women are born to care for the world as their own.
Their shimmer is happiness, and their go-to goal. Their dresses, when
discovered, are considered pieces of art and displayed in
museums for generations to come.

Victor Of You, The future is full. The rainbow's stop before. The passion is full. Swing. There is a smile in the year. You stop to wonder what they're so exciting. Which is when you realize that you are the occasion. It's in your mind, it's in your heart, they're celebrating your dreams, you're ready, you're ready.

Waste Or You The Lamps are in Two sockets step to guest. The procession is in full for us. There is a magic in the year. You need to discover what they're delivering. We'd is when you realize that you are the decision. And if you ever realize since they're celebrating your choice, your goals, your destiny.

Wish you'd go. The moment is here. The clothes you're going to give
the pieces or is in full swing.
There's a night in the past. You stop to wonder
what you're embracing
which is when you realize that you are the occasion.
If you're going to make it, then, they're to celebrate
your life is in your grace, your beauty.
