"The well dressed haven't much to do with  
having good clothes, it's a question of good  
balance and good common sense."

What you wear is  
how you present  
yourself to the world,  
especially in  
our highly image  
conscious era. In this  
fashion is instant  
language.

"What's my style is not your style, and I don't see how you can define it. It's something that expresses who you are in your own way."

"What you wear is how you present yourself to the world, especially to me, when human contacts are so quick. Fashion is instant language."

"Over the years I have learned that what is important  
in a dress is the woman who's wearing it."

"What you wear is how you present yourself to the world, especially so today, when human contacts are so quick. Fashion is instant language."
