I have the gift of prophecy and can foretell the future
if I have a faith that can move mountains, but I have no love. I do nothing.
I give all I possess to the poor, and sacrifice my own little power.
I have not love. I gain nothing.
Love is ever, it does not die.
It is not real, it is not self-seek.
I have the gift of prophecy as
long as you speak but when
I give all I possess to the poor,
I have no love, I gain nothing.
