TRUE Monarch

Styles change. Fads come and go. Trends are whimsical and unpredictable. But true fashion is eternal. Such is engraved in the trees of eternity deep within the Garden of Magic. In your amazing dress, you gaze upon the pace of wisdom and marvel at its accuracy.

SPARKLING *Glitter*

Some women don't just claim the universe as their own, they own it. They are confident, and their grit gorgeous. Their style is their signature, and they are considered pieces of art and inspiration for generations to come.
