Like the first rays of summer caught in a bloom. Bright, soft, rich and touched with silver dust. The ocean blue ensemble from this invokes the image of a sun-kissed bride walking down the sandy aisle on a virgin beach. Radiant, lively and responsive - perfect for the destination wedding of a lifetime.

We love this ensemble because it perfectly brings out the fusion of old world aesthetics and modern sophistication that makes this outfit so unique. The lehenga and blouse are intrications, while the woven silver threads add just the right hint of glamour. Paired with a soft net dupatta embellished with silver motifs and border, it's the perfect marriage of elegance and comfort.
