Some say all that glitters is not gold That  
myth is shattered when they stare at your divine  
dress. They realize that what you're wearing

Some apsaras are born to claim the universe as their own. Their shimmer is heavenly, and their gait gorgeous. Their dresses, when discarded, are considered pieces of art and displayed in museums for generations to come.

where all is heavenly.  
They belong to an age  
which was truly golden.  
Whatever the world had  
lost is contained

planet with its intensity.  
These maidens were  
born soon after, and  
from a very young age  
glowed brighter
