Design brings floral patterns on linen fabric which turns even the simplest style into something worth while. Experience the rustic floral bliss in soft tones and understated floral design.

POPULAR STYLE

There are several styles of lehengas available in the market. The most popular style is the traditional lehenga with a dupatta. However, there are many other styles that are becoming increasingly popular. These include lehengas with a crop top, lehengas with a long jacket, and lehengas with a long cape. Each style has its own unique charm and is suitable for different occasions.

MAGICAL

A E S T H E T I C S

Like the first rays of summer caught in a bloom. Bright, soft, rich and touched with silver dust. The ocean blue ensemble from this invokes the image of a sun-kissed bride walking down the sandy aisle on a virgin beach. Radiant, lively and responsive – perfect for the destination wedding of a lifetime.

We love this ensemble because it perfectly brings out the fusion of old world aesthetics and modern sophistication that makes this outfit so unique. The lehenga and blouse are intrications, while the woven silver threads add just the right hint of glamour. Paired with a soft net dupatta embellished with silver motifs and border, it's the perfect marriage of elegance and comfort.
