Beauty is a manifestation of secret natural laws, which otherwise
would have been hidden from us forever

Since love grows within you, so beauty grows. For love is the beauty of the soul
Inner beauty should be the most important part of improving one's self.

The beauty of a woman must be seen from in
her eyes, because that is the doorway
to her heart, the place where
love resides

Elegant look

Real beauty is to be true to oneself. That's what makes me feel good.
Beauty is the first present nature gives to women and the first it takes away.
