Perfect design
The perfect design is the one that is not only beautiful but also functional. It is a design that is both aesthetically pleasing and practical. It is a design that is both timeless and modern. It is a design that is both simple and complex. It is a design that is both elegant and casual. It is a design that is both classic and contemporary. It is a design that is both traditional and innovative. It is a design that is both timeless and modern. It is a design that is both simple and complex. Essence of perfection.

Perfection is not something that comes to doors only. Perfection is to be able to do as the others do but not follow their lead. It is to do what they do but not do it the way they do, which is surprising.
