VALLABHI  
PRINTS

*There is always a way  
to feel livelier.*

*Embrace oceans and cross the mountains if you have to  
in order to find yourself. And once you do, just be  
yourself. This placidly flowing river takes one around  
the world with its twists, finding places, people and  
things to admire. Drops this unpartisan, lively  
beauty and experience at its chosen.*
