SYMBOL OF PASSION

*The being passion which drives us to the heart of all things and gives us the strength to see the stars in your eyes is not completely through the eyes. It is the heart that drives us to the heart of all things and gives us the strength to see the stars in your eyes.*

### MEMORIES OF BLISS

*Simple joys, even that, but memories of perfection are always with you. They show within your heart bringing you a moment that is happiness. With the memory of it, they are with you in the now. Making it's every day every moment of your life.*
