Beauty is only skin-deep. If you give someone a
 smile they will smile but you have something to
 smile. If you are going to get something, you need to be
 beyond the surface and see if you can find it or
 have anything in common with the person.

NEW FRESH JUST 4 U

Beauty is only skin-deep. If you go after someone just because they're beautiful, but don't have anything to talk about, it's going to get boring fast. You want to look beyond the surface and see if you can have fun or if you have anything in common with this person.
